

INTRODUCTION

Message From Our Manager

It has been another enjoyable few months, with plenty of opportunities for residents to spend time together, enjoy different activities and make the most of trips out into the local community.

From a memorable boat trip with the Seagull Trust to music, creativity and time spent reminiscing, there have been some lovely moments to share. It is always important to us that our activities offer something for everyone, whether that means getting out and about, revisiting a favourite interest or simply enjoying a relaxed afternoon with friends.

We hope you enjoy catching up on some of what we have been doing over the past few months.

RECENT ACTIVITIES & EVENTS

A Day Out on the Water

Residents recently enjoyed a lovely outing with the Seagull Trust, giving everyone the chance to get outdoors, take in the surroundings and enjoy a relaxing boat trip.

The outing was particularly meaningful for John, who used to drive boats himself. Being back on the water brought back many memories and gave him the opportunity to reminisce about his own experiences. He enjoyed sharing some of his stories with staff and fellow residents, which led to plenty of conversation throughout the day.

Activities and outings that connect with residents' past interests can be particularly special, and it was lovely to see John reconnecting with something that had played an important part in his life. It was an enjoyable day for everyone and one that gave us plenty to talk about afterwards.

Marking World Alzheimer's Day

To mark World Alzheimer's Day, residents enjoyed a relaxed colouring session together. With a selection of pictures and colours to choose from, everyone was able to take part at their own pace and enjoy a calm and creative afternoon.

There was plenty of conversation around the table as residents coloured, chatted and shared memories with one another. Sometimes the simplest activities provide some of the nicest opportunities to spend time together, and the afternoon was a lovely example of this.

Our residents also got creative with an autumn-themed arts and crafts activity, creating some lovely autumn trees together!

It was wonderful to see everyone getting involved, choosing their colours and adding their own personal touches to their creations.

Celebrating National Western Music Day

We brought a little taste of the Wild West to the home as residents celebrated National Western Music Day with a themed afternoon of music and fun.

Classic western songs provided the soundtrack for the day, with residents enjoying listening, singing along and remembering familiar favourites from years gone by. Music is always a great conversation starter, and there was plenty of reminiscing as different songs brought back memories.

With themed decorations adding to the occasion, it was a lively and sociable afternoon. Most importantly, everyone had the opportunity to join in however they wished and simply enjoy the music and each other's company.

COMING UP

Looking Ahead

As we move into autumn, we are looking forward to another busy few months together. We will continue to plan a varied programme of activities, outings and seasonal events, while making sure there are plenty of opportunities for residents to enjoy their own interests and spend time together.

With the seasons beginning to change and Christmas gradually appearing on the horizon, there will be lots to look forward to. We look forward to sharing more of our news and special moments with you in our next newsletter.
